## PROFILE

**I specialize in producing and editing for film, television, digital, and immersive content**

Throughout my career, I have had the privilege of engaging with a diverse range of projects, including historical documentaries for esteemed networks like PBS, capturing live performances for immersive shows, social issue films, and crafting spine-tingling ghost stories.

These experiences have instilled in me a deep appreciation for the power of storytelling to engage, entertain, and inspire.

## SELECTED WORK EXPERIENCE

### Producer & Editor

#### **FUTURE PROOF 404 CORP**

*May 2021 - September 2023*

- › Worked closely with clients to plan, produce, edit and launch bespoke audio/visual content for immersive productions.
- › Produced branded documentary content, contributing to a 30% increasing in ticket sales.
- › Designed and implemented archival quality workflow and asset management system; reducing asset delivery cost by 18%.
- › Successfully launched six seasons of bespoke documentary content; two feature documentaries, and integrated social media campaigns.
- › Developed and implemented advanced editing techniques, utilizing state-of-the-art software and equipment to elevate visual storytelling and create captivating content.
- › Designed and utilized a custom "VHS" digital-to-analog/analog-to-digital workflow, encompassing the entire production pipeline from camera to delivery; reducing render times by %30.
